

PROTECT YOUR INVESTMENT

3M™ Scotchcal™ Paint Protection Film preserves the paint finish while protecting surfaces vulnerable to stone chips, bug damage, abrasion and weathering.

- * Approved by major automotive manufacturers
- * Clear-coated 8-mil urethane film, contains UV inhibitors, resists yellowing
- * No mechanical attachments, unsightly guards or bras
- * Minimizes stone chips
- * Professional application recommended for best results
- * No special care needed after application
- * Film is removable if necessary
- * Virtually invisible

THE PROMISE

When you have 3M Scotchcal™ Paint Protection Film installed by us, your 3M authorized dealer, we back our film with a limited lifetime warranty. Receiving your warranty card is your best assurance that you have the finest film available properly installed on your vehicle.
